

Denham Neighbourhood Plan Consultation

DENHAM PARISH NEIGHBOURHOOD PLAN

2020 – 2036

SUBMISSION PLAN

Denham Parish Council has for some time been working on a Neighbourhood Plan for the area and they have now submitted the final version to us (Buckinghamshire Council). The next stage of the process is for us, as the local authority, to carry out an eight-week public consultation on the submitted Plan. This is an opportunity for local people to comment on it before it goes to independent examination.

The Neighbourhood Plan includes policies that look to shape local development. It seeks to protect local heritage assets, the Colne Valley Park, local water features, existing community uses including pubs and to retain existing employment uses. It also designates some areas of local green space.

For further information and to comment on the Neighbourhood Plan please visit

<https://yourvoicebucks.citizenspace.com/planning/Denham-ndp-submission>

The public consultation runs until 1st February 2021.
